

Thank you all for attending. We hope that you learn many of the new products and features that are part of the EWS software solutions. We also hope that you have a wonderful time working with our consultants and fellow software users! Please be sure to stop by the vendor booths and see what products are available for your system. There just may be that one software to make all of the difference!

The following is the agenda for the EWS Group User Conference 2011.
